

1233

Ogodei himself campaigned against the JIN dynasty of northern China.

In 1233 the JIN Capital, KAIFENG, toppled & a quarter of what is now China belonged to KARAKORUM.

There was an array of taxes.

In China farmers were taxed according to the quality of their land & the number of oxen & tools they owned. There was also a

head tax on adult males, payable in grain. There was a household tax payable in silk.

Merchants were taxed on transactions
newly conquered peoples handed over $\frac{1}{10}$ th
of their possessions

INQUISITION

Historically a legal court of the Church for the investigation and sentencing of persons professing or accused of formal heresy. As such, the inquisitions were ~~1st~~ begun in 1233 by Pope Gregory IX based on the "Inquisitorial Plan" originated by Pope Lucius III.

1233

Pope Gregory IX assigns Dominicans
responsibility for combatting heresy.
Thus the INQUISITION began.
